

Assembly by Class 1C and 1D

Class 1 C and 1 D presented their assemblies on 17th October. The topic was solar system and teamwork. Children introduced the solar system as a series of planet and other bodies . The reflection encouraged students to think beyond this world and was a fun way to learn 'astronomic facts'.

Children carried the assembly forward by depicting "Together Everyone Achieves More". They showed us how teamwork helps . The children learnt the advantages of working together . They summed up the assembly with a Diwali song which brought out the essence of the auspicious occasion.
