24th May 2016

Dear Parents,

We will start our new bus routes (42) in July. We do hope that more students will start using the buses as we have started routes to many new areas. The details of which have been shared with you. We have attempted to keep the bus fee slab from Rs1600 to Rs3500. This is solely dependent on the bus fee being remitted by all children availing the bus facility by 5th June 2016.

We look forward to your prompt action in making this endeavour a success.

With regards

Abha Sahgal

Principal
