11<sup>th</sup> April, 2016

Dear Parents,

Based on feedback received from the parents and discussions with the PTA concerning:

- (a) clarity regarding bus stops and routes;
- (b) issues raised regarding routes and attendants;
- (c) low attendance of students on the buses; and
- (d) various new requests being made to school regarding bus transport,

We have decided to defer the implementation of the new bus routes to July.

After collating the additional requests received and re-surveying all the bus routes, we will upload the fresh route lists and route maps by first week of May 2016 and implement these from the July session. TILL THAT TIME THE EARLIER BUS ROUTES OPERATING BEFORE 11TH APRIL WILL CONTINUE WITH THE SAME STUDENTS. ANY ADDITIONAL CHILDREN WHO WANT TO GET ON TO THOSE OLD ROUTES WILL HAVE TO CHECK WITH MR DHRUV/RAJ SINGH OF THE TRANSPORT TEAM.

All new bus routes will commence from July. We regret the inconvenience caused. We do appreciate your patience and cooperation in this endeavor.

The school timings for supervision students (Students using their own transport) from 13th April 2016 till May 2016 will be as follows:

- Nursery – 8:30 am - 12:30 pm
- Prep – 7:45 am to 1:00 pm
- Classes 1 & 2 – 7:30 am to 1:00 pm
- Classes 3-12 – 7:30 am to 1:50 pm

The school buses will leave by 1:45 pm.

We clarify that the car free zone will continue only in the mornings from 7:10 to 7:40 am. Please ensure that your child is dropped not later than 7:20 am as teachers will move into their classes by 7:30 am and the children will have to walk unsupervised after 7:30 am.

**Further, this to confirm that in view of Ambedkar Jayanti, School will remain closed on Thursday , 14/04/2016.**

Thanks and Regards

Abha Sahgal
