

Dear Parent,

All the old bus routes have undergone a change and new bus routes have been uploaded a few weeks ago on the school website. The routes can be checked after logging into your school accounts. A few of the routes as uploaded have been modified based on parent feedback and will be uploaded after getting further feedback if any within a week. In case of any doubts or queries please email [ptatransportcom@gmail.com](mailto:ptatransportcom@gmail.com) with a cc to [estate@sanskritischool.com](mailto:estate@sanskritischool.com) .

We request you to kindly email your doubts or queries at the earliest (before 15<sup>th</sup> June 2016) so that any small changes to the route can be made right away if necessary and viable. The last date for payment of bus fee for the quarter July – September was 5<sup>th</sup> June 2016. However parents who have not yet paid up are requested to do so immediately. Online payment for bus fee has been activated. In case of any issues with online payment kindly email [IT@sanskritischool.edu.in](mailto:IT@sanskritischool.edu.in) with a cc to [ptatransportcom@gmail.com](mailto:ptatransportcom@gmail.com).

Preference will be given to students on a first come first serve basis on school bus as we want to try and ensure that students get a seat to the extent possible and not stand during travel, so we request those who are interested even now in availing the school bus for any of the routes to kindly email [ptatransportcom@gmail.com](mailto:ptatransportcom@gmail.com) with a cc to [estate@sanskritischool.com](mailto:estate@sanskritischool.com) at the earliest.

It is clarified that the no car zone will continue to operate in the mornings from 7:10 to 7:40. In the afternoons, a large part of the school lane will be cordoned off for the school buses, and private cars/cabs will be permitted only towards the end of the road beyond the area earmarked for school buses. Supervision students (those who are not taking the bus) will only be dispersed after the school buses leave. School bus children will be dispersed by 1:30.
