CELEBRATION TIMES….Junior School

The Junior school was abuzz with excitement today, celebrating School Birthday, Janamashtami and Independence Day.

It was heart- warming to see our little ones dressed in their traditional clothes. They watched the Janamashtami Jhankis with wonder and enthusiasm.

The School Birthday was celebrated with special assemblies, cake cutting and singing of the birthday song. To celebrate this special day chocolates were distributed among the students.

Class 2 children enjoyed and showed their ‘freedom’ by flying kites. …. Their laughter and shouts brought smiles on everyone’s faces.

The National Flag was hoisted by our Principal, Mrs Richa Agnihotri, and the whole Junior school solemnly stood and sang the National Anthem . The school choir sang a number of patriotic songs and added to the patriotic spirit of the occasion.
