Creative Arts Workshop | Social Change Project | Mentorship | Internship Opportunity

*I have so many ideas
but how can I help?
Can I really make a
difference?*

*What are the
issues that affect
me and those
around?*

*I want a better world
for all and see how I
can help others.*

*I am already
working for a cause
but want to do
more- see if my
ideas really work, get
creative.*

to lead social change

DO SOMETHING MEANINGFUL THIS SUMMER

We give every child an opportunity to make a positive impact & help them realise their vision for a better world.

- We share knowledge, new ways of seeing and the power of creative thinking & learning.
- Help the young develop their own ideas, try them out, share their work and give their 'Projects for change' wings.
- We connect them to other children, professionals & organisations who share their dream & can further support their projects.
- Give them a chance to inspire other young people - be leaders.
- We give them the opportunity to have creative experiences with industry professionals
- Opportunity to use their own skills as well as the learning gained in school.
