

16 March 2018

To the Parents of Class V going to Class VI

Dear Parents,

A very important and critical phase of your child has now come to an end. The years spent in the Primary school laid the foundation for your child's future learning and experiences in the Middle and Senior Schools. The Primary years, focus on helping students gain confidence, build relationships with both peers and teachers and gain a sense of comfort in school along with learning. In the Middle School, these aspects of school life will be strengthened.

School will reopen on Wednesday, 4th April 2018 for the new academic session. School timings are the regular summer timings details are in the school Almanac

We are very excited about receiving our young adults from Junior school and hope to make this transition smooth and easy for the children. We solicit your co-operation in our endeavour and request you to make a note of the following points:

Please note:

1. In the Middle School, we encourage our students towards becoming independent. They are now ready to board the buses or reach out to their supervision person themselves in the afternoon, post dispersal. Please explain to your child that while using the bus, she/he must exit from Gate No: 5, which is near the covered area of the Annexe Block. A whiteboard will guide them to the direction of the bus. The students using the bus leave before the supervision students.
2. Students going home via supervision, assemble at the Gymnasium. They leave from the main gate, in case they miss their bus or their supervision person has been delayed, they are required to wait at the school reception.
3. On the first day of school, students will report to their class V classrooms, from where they will be escorted to the Middle School by their teachers.
4. Please check the School website on a regular basis as now circulars will be uploaded on the website or emailed to your account and hard copies will NOT be sent home.
5. Information for issuing your ward an I-card and other personal details need to be updated on the school website. May we request you to login into the school website to update the details. In case there is a change in the uploaded details, you are requested to print out the page and mark the corrections in red and send the paper to your ward's class teacher at the earliest. Please treat this as urgent and important.
6. Please fill in the personal information and the Medical information page in the Almanac. The Medical Information Card is taken out and given to the School doctor to update her records. Please ensure that the child's blood group is mentioned. In case of any medical history, kindly contact the School Doctor to see if she has the updated records of medication with her.
7. Please send two photographs of your ward at the earliest.
8. Unit tests will be held on Wednesdays. The schedule is given in the Almanac. Kindly note that no student will be allowed to leave school after a Unit Test for any reason including, medical unless the school doctor feels the need to send a student home. We urge you not to send your child for a UT in case the child is not well. A medical leave will be granted for the same on receipt of a Medical certificate.
Kindly also note they will not be allowed to leave school midday for any personal matter unless prior permission is granted.
9. It is suggested that a number lock be used by the children for their lockers. In case they are using a regular lock, a duplicate key with the name tag is to be deposited with the class teacher.
10. Parents and Guardians are also not permitted to drop things to school or meet with their wards in the school premises during school hours, unless there is an emergency and are required to be collected from school.

We look forward to meeting you on Saturday, 7th of April 2018. (Time will be intimated via the school website for the Orientation Programme.) Please mark this important date in your calendar.

With kind regards,

Yours sincerely

Richa Sharma Agnihotri
