Council Camp

The school organized a camp for the Student Council of 2017-18, which was held on the 24th and 25th of March. The purpose of the camp was to develop skills in leadership, planning and executing tasks and working together as a team.

Students attended the camp from 8 am till 5pm, with lunch and snacks provided by the school. Various activities, especially the games that were conducted during the camp, focused on building mutual trust and understanding amongst the students. Leadership skills were also tested, with students learning how to take the lead in the situations that they were put in. Students also bonded on a higher note, by sharing their personal experiences with one another.

The camp provided a platform for students to be able to experience some of the duties that they will be entrusted with in the future.
