

First Week Activities in Prep

We at Prep had an exciting first week with our little ones, who were welcomed with bubbles of cheer and enthusiasm flying high. Various fun activities spread out during this week included-using crafty things to make and decorate colorful crowns, Spooky detective Binoculars, treating ourselves to yummy Smiley-G biscuits in flameless cooking and going for a fun walk around the School. All this combined with singing rhymes, storytelling and Teacher Show and tell helped in familiarizing with each other better. Our joyful week culminated with a “Movie Time” in the Auditorium which our tiny tots enjoyed thoroughly.
