

GRANDPARENTS DAY

Grandparents are the delightful blend of love,
caring deeds and wonderful stories.

To felicitate and honour the Grandparents who leave a lasting impression in a child's life, Nursery celebrated Grand Parents day with a great enthusiasm on 1st & 2nd November 2017.

The little ones welcomed the Grandparents to the Nursery courtyard with the spirit of gratitude. The theme of the programme was highlighting "What we do in the school everyday". This included songs sung by the little ones which was overwhelming for the grandparents as they saw them sing and dance with grace and confidence. The grandparents then sportingly joined their grandchildren on the floor and danced to the tune of Chihuahuaaaa.....

The Grandparents visited the classrooms where they were presented with a beautiful fish aquarium made by their grandchildren. Thereafter, they were allowed to take their little ones home as a special treat.
