

Google School Leadership Summit 2016 Feb 6, 2016

First School Leadership Summit 2016 was hosted at Sanskriti School in collaboration with Google, India on Feb6, 2016.

The one-day summit hosted decision makers from major private schools across India where Sanskriti School was showcased for all the pedagogical changes brought in by the adoption of technology at a school.

Mrs Abha Sahgal, Principal, Sanskriti School delivered the keynote. In her keynote she shared her vision and talked about the need to bring technology in the classroom to keep up with the changing times and to use tools available to enhance the learning of the students.

Ms Bani Dhawan, Head, Google for Education welcomed the Principals and representatives of various educational institutions and asked for bringing in the change from 'consumption' to 'creation' and use technology in this shift.

Ms Sangeeta Gulati, Head of Mathematics Department, Sanskriti School and a Google Certified Innovator shared her practices and highlighted the role of Google Educator Group (GEG) in supporting the educators all across India.

Ms Neelima Bansal, Ms Anjali Tulsiani and Ms Swati Shukla, teachers of Sanskriti School conducted a demo session on the use of Chromebooks and Google Classroom. Heads of institutions participated enthusiastically in the session; a Sanskriti teacher led each group of visitors.

Students Divyansh Jha (classVI), Bhavya, Tavishya and Arya (Class 9) presented their experiences with the technology in their classroom and shared their excitement with the attendees of the Summit.

Post lunch the Summit continued at the Google's office in Gurgaon where the EdTech team led by Mr Jay Atwood initiated the attendees into Google Apps and possibilities with the adoption of Google Apps for Education.
