

La Martiniere MUN, Kolkata

May, 2016

Sanskriti School sent a delegation of twelve students, accompanied by Sreelekha Ma'am, to Kolkata for the La Martiniere College Model United Nations conference 2016.

The delegation left on the 13th for the conference which was to be held from the 14th to the 16th of May. The students spent the 13th exploring Kolkata, from devouring the famous Calcutta rolls, to strolling across the Howrah Bridge, and ended the day with intense research sessions.

The conference began the next day. The Sanskriti delegates participated in a variety of committees, ranging from conventional committees like the General Assembly Plenary and the Security Council, to committees such as Indira Gandhi's Cabinet and the D-Company. The complex agendas and the high level of debate kept the delegates on their toes throughout the conference, at the end of which the delegation managed to bag two awards in the General Assembly. Jiya Dhillon received the Outstanding Delegate award while Ananya Sen won a Verbal Mention.

It was a truly enriching and memorable experience for all the members of the delegation.
