The committees in this MUN were conventional and non-conventional, from NPT, GA, UNHRC, Roman Senate etc. to The Westerosi council and The International Confederation of Wizards. Sanskriti School sent a delegation of 12 delegates to attend this conference. Although the youngest delegation of the conference, Sanskriti bagged the award for the Best Delegation. Arunima, Advait, Aadyot and Yash too performed remarkably!

The MUN overall was amazing, the food was delicious and the delegates were taken good care of. Even though the attendance of the delegates in the committees was quite low, the debate and the level of simulation was quite high.
