

## Parents Day Out

The nursery team warmly welcomed parents of our tiny tots for the Parent's day out event organised in the nursery courtyard from 2<sup>nd</sup> May – 4<sup>th</sup> May 2016.

Both parents and children were guided to the classroom for an informal interaction with the teachers. Thereafter they moved to the courtyard where they were greeted by the principal Mrs. Abha Sahgal. The programme began with a questionnaire round which helped the parents to get to know each other better. This was followed by a "four corners" elimination game and a fun time event whereby the parents enacted nursery rhymes and songs using different props. The finale was the entire gathering dancing to the tunes of Boogie Woogie. The fun filled event culminated with serving of refreshments.

Our little ones trotted off home with their parents after spending an enjoyable day full of fun and frolic.
