

Nursery Parents Day Out

“Blessed are the curious For they shall have adventures”

- Lovelle Drachman

The Nursery team warmly welcomed the parents of our tiny tots for Parents Day Out event organized on 7th & 8th May, 2019. Our Principal Mrs. Richa Agnihotri and Junior school Incharge Mrs. Suruchi Lal welcomed the parents.

The Ice breaker game and Four corners gave the parents an opportunity to interact with each other . The fun and the laughter that accompanied the activities brought in a lot of cheer. This was followed by refreshments that were served in the prep lawns. Thereafter the parents were guided to the respective classes of their wards for an orientation programme . The interactive session with the teachers cemented a positive relationship for a strong partnership ahead. The parents shared their concerns, queries and suggestions. It was an enriching experience for all.
