

Parents Day Out

*“ Coming together is a beginning,
Keeping together is progress,
Working together is Success”*

The nursery team warmly welcomed parents of our tiny tots for the **Parent's Day Out** event, organised in the nursery courtyard from the 2nd May to 4th May 2018.

Both parents and children were guided to the classroom for an informal interaction with the teachers. Thereafter, they moved to the courtyard where they were greeted by our Principal, Mrs. Richa Agnihotri and the Junior School Head, Mrs. Suruchi Lal.

The programme began with a questionnaire round which helped the parents to get to know each other. It was followed by playing 4 corners on nursery rhymes and songs. The short but sweet programme ended with the parents dancing to the tune of Boogie Woogie.

The fun filled event culminated with serving of refreshments. Our little ones trotted off to their homes with their parents after spending an enjoyable morning at school.
