

Nursery celebrated Diwali

Nursery celebrated Diwali with a funfilled special assembly on 28th October, 2016 in the Prep lawns. The show began with the enactment of Ramlila by the teachers. The children thoroughly enjoyed the story and sang their favourite Diwali songs. Thereafter they watched a power point presentation which depicted the significance of Diwali and how it is celebrated.

Earlier in the week, as part of cooking without fire activity they were treated to yummy coconut laddoos. Happy and excited about the festival to follow, the little ones went home on Friday carrying Diwali lantern and Diyas which they had made during their craft class.
