

Nursery celebrates 70th Independence Day

All the little ones in Nursery celebrated India's 70th Independence Day on the 12th August, 2016. The children watched the power point presentation which depicted clearly the essence of India's freedom struggle. This was followed by the teachers singing patriotic songs. On 9th of August the children were treated to tricolour sandwiches during cooking without fire activity. All of the above helped explain the importance of Independence Day to our children.

Our little ones who came dressed in traditional Indian attire were treated to chocolates for our School's Birthday, as we celebrated Sanskriti School's birthday on this special day.

JAI HIND

o during an earthquake ?

ng shaking starts

es, window, outside doors and walls, and anything that
lighting fixtures, or furniture.

dy table/desk and do the "DUCK, COVER AND HOLD"

shaking stops and it is safe to go outside.

:

chool earthquake evacuation plan:

n school earthquake drills regularly.

he building in single file.

the class to designated assembly area.

RE-ENTER the building unless instructed by the school.

KEEP CALM
