

Prep Celebrates Independence Day And School Birthday

The little ones in Prep celebrated Sanskriti School Birthday and Independence Day with great enthusiasm and patriotic fervour on 12th August 2016.

An age appropriate narration highlighting the essence of freedom struggle, followed by rendition of patriotic songs by teachers and children in their respective classrooms helped explain the importance of Independence day to our little ones.

The children who came dressed in traditional Indian attire looking radiant and cheerful sang Happy birthday song wishing Sanskriti school many years of glory. They were treated to chocolates and tri-colour sandwiches which our little chefs prepared as part of their cooking without fire activity. The children proudly went back home wearing a Tiranga ribbon on their uniform shouting Jai hind all the way!!
