

Prep goes for Delhi Darshan Bus Tour

The little ones of Prep hopped on Sanskriti School buses for an informational windshield tour of Delhi on 29th August 2016.

The tour started with seeing the “Rashtrapati Bhawan” and “The Parliament House”. Thereafter, we moved on to see “The India Gate”, where our little ones shouted “Jai Hind” with a salute to our brave Jawans. Moving on, we saw “The Old Fort” and “The Safdarjung Tomb”. In order to acquaint the children with the heritage of our city, the teachers explained the significance of each monument we passed by.

Our fun filled outing came to an end as we rode back to School feeling happy and proud to be a Delhite and an Indian.
