

Prep Graduation Day 2016-17

Prep marked the growing up of its young scholars by celebrating "The Graduation Day" on the 10th of March 2017. The proud parents of our tiny graduates were warmly welcomed and ushered to the Prep Amphitheatre for the function.

The programme commenced with a soulful rendition of the "Saraswati Vandana" by the choir of class 3. Thereafter, our Principal Mrs Abha Sahgal addressed the gathering and congratulated the children for their remarkable growth in the journey of learning.

This was followed by the class teachers of each section calling upon the children one by one to receive their citation certificate from our principal ma'am, as they simultaneously shared something special about each child to which the parents applauded with enthusiasm.

As the programme came to an end, everyone seemed truly happy and proud of the Prep graduates, wishing them success as they move ahead.
