

# Parents Day Out

Fun filled days for the parents of Prep were organized on 18<sup>th</sup> and 19<sup>th</sup> April 2017 at Sanskriti Amphitheatre. The parents got an opportunity to meet the teachers and discuss the academics as well as the co-curricular activities. The children welcomed them with an action song 'Boogie- Woogie'. They mesmerized everyone with their performance. Snacks and tea were served. Later the parents went to the respective classrooms and attended a craft class, where they made a fridge magnet with their children. They went home with happy memories and reminiscing of their school days.
