

Republic Day Celebrations in Nursery

Nursery celebrated Republic Day with a special Assembly on 25 th January 2016. The children came dressed in traditional Indian clothes and enjoyed watching a power point presentation on India and its glorious history. The presentation had slides which showed them the different states, types of food, clothing, dances and traditions. They were also shown the clipping of the Republic Day Parade and important monuments of India. After this the children sang a few patriotic songs and were treated to yummy, crunchy tri colour salad. Their faces lit up with joy when they were given a tri colour badge which said “Proud to be a Sanskritian”.

Jai Hind!!!
