

Since its establishment in 1999, Sanskriti has blossomed into one of the finest institutions in the country, all with the constant support and guidance of its staff. Thus, it is with a heavy heart that Sanskriti bids farewell to the headmistress of the Junior School, Mrs. Anita Sud

Having been with Sanskriti for the last 17 years, Anita Ma'am has become the heart and soul of the Junior School. It has been under her watchful eye and guidance that Sanskriti's youngest embark on their journey into the school they soon grow to call home. From the Winter Carnival to the plethora of functions held in Junior School, Anita Ma'am has always strived for the best for the school and its students. Her departure will leave a void in all our hearts.

To commemorate her invaluable presence to Sanskriti, the school held a farewell assembly. The Head Boy and Head Girl of Senior and Middle School gave a small speech on their memories with Ma'am. This was followed by a heartfelt message given by the Principal and Mrs. Supriya Bagga.

Sanskriti wishes Anita Ma'am the best of luck for all her future endeavors as she embarks on this new phase of her life.
