

### Class 7 Trip to Shivpuri

December at Sanskriti begins with amazing outstation trips which provide the students opportunities to learn beyond the classroom and get to know each other better.

This year grade 7 went on an adventure trip to Shivpuri. In the three day- two night camp, they experienced some of the most exciting adventure sports and activities. They engaged themselves in tent-pitching, spider-web's game, wall-climbing and many other games. They overcame their fears in 'Zip-line': 200ft above the river Ganga.

The students were in the lap of nature throughout. They experienced nature in close proximity when they went hiking in the 'Nature Walk' and strolled on the banks of River Ganga. Many got bottles filled with Ganga water for their grandparents.

The trip came to an end on December 5, 2015 but the bonds and learning will be cherished forever!
