# Annual Athletic Meet 2016-17

Every year, the one thing that brings out the true passion and house spirit of all the students is the Athletic Meet. The Sports Department along with the House Captains worked in perfect symphony to put up a memorable and thrilling sports day! The excited kids brought the event to life as they cheered for their housemates who were taking part in the races. Many of our athletes who represent our school in different sports participated today and showcased their agility and vigour with which they bring back many accolades and awards. The sports day is a day where the students voluntarily start preparing months in advance to better themselves and bring pride to their houses. Along the way they also improve their fitness and strength which is an achievement in its own. The four houses with well matched athletes really help bring out the true sportsmanship and honesty which is vital on such a day. We can proudly say the Athletic Meet was a great success and has risen the benchmark for all School Events for the years to come.

It was truly a great send off to the previous council and also an exciting end to the year 2016. We all look forward to the Annual Athletic meet for the year 2017-18.

Prakash house bagged the trophy for the best house in Sports.
