

Academic Session: 2018-19
Choice of Performing or Visual Arts in Class X

10 March 2018

Dear Parents

In the forthcoming academic session, we are offering your ward a choice between one of the following activities which will be held once a week:

Visual Art IT

Visual Art: The Art syllabus for class IX is designed so that the students can:

- Appreciate art and its various forms
- Learn about various art mediums and techniques
- Get familiar with art related vocabulary and popular artists during the session.

The syllabus is designed to let the creative spirit grow; engage in art exploration and to encourage intellectual inquiry.

IT: Web design skills are in high demand these days. Interestingly, much of the most creative and compelling Web content comes not from computer programmers but from creative thinkers.

Learning the technical tools to develop their own websites will give the students an edge over competition in any field. Whether they want to publish their work, display their photos, create a portfolio or build a company website they will have the basic skills needed to get started.

The IT class in the forthcoming session takes its students into the world of Web Designing using Adobe Dreamweaver and an insight into JavaScript. The class offers instructions in the fundamental techniques involved in the creation of effective web pages. The students will be given an insight into animation making software and image editing tools.

Kindly return the attached form by **Friday, April 6, 2018** to the Class Teacher, clearly mentioning the activity which your ward would like to undertake during 2018-19.

Please note that the Visual Art option will entail an additional fee of Rs 350/- for the material that the student would be provided throughout the year in school. The amount will be charged in the next fee bill.

We look forward to an enriching and eventful academic session.

Regards

Richa Sharma Agnihotri
