

Visit by Professors and Students of Shaheed Sukhdev College of Business Studies

On the 25th of March 2019, Mr. Tushar Marwaha and Dr. Abhishek Tandon, Professors of Shaheed Sukhdev College of Business Studies along with their students held an interactive session for the students pursuing commerce in our school. The session was regarding admission procedures for the University of Delhi and the various courses offered by their institution in the fields of Management, Finance and Information Technology. Special emphasis was made towards the courses of BMS and BFIA. With the help of a presentation, various courses and their structures were made known to the students. An integral part of their curriculum involved specific subjects such as tax planning, compulsory ability enhancement subjects, skill enhancement subjects, research papers and crash courses.

Not only did they clear doubts and misconceptions regarding the University of Delhi but also provided tips on how to perform well during boards and entrance examinations. Through this session students got a preview of the various career options available to them in the near future and were able to realize the importance of specializing in specific subjects in order to get better placements. It proved to be an informative and fruitful session benefitting all the students and provided them with a sense of clarity.
