

Visit to Rail Museum

“When you truly love your journey....the destination is just a bonus”

Students of Nursery visited the National Rail Museum, New Delhi on Thursday, 31st January, 19.

The children boarded the toy train with a lot of excitement and thoroughly enjoyed the train ride and were particularly thrilled when the train passed through the tunnel. Students were then taken to the exhibition hall where they were spellbound to see the exhibit of wagons and coaches.

The children soon then boarded the buses and headed back to school singing rhymes and songs and their happy faces spoke of the success of this visit.
