

## Visit to Dolls museum

On 29<sup>th</sup> July 2016, our little ones boarded Sanskriti buses with great excitement to visit “The Dolls Museum” which is known for its’ huge collection of dolls from all over the globe.

As the children reached the museum and walked through the galleries, they learnt about dolls brought from various countries displaying a vast diversity in terms of culture and dresses worn all over the world. The kids were extremely happy to see the last part of the gallery, which displayed dolls from all over India and also dolls related to Hindu mythology.

Our fun filled outing came to an end with the children discussing the most impressive dolls they saw as they joyfully rode back to the School.
