

SCHOOL BIRTHDAY CELEBRATIONS

12 August 2016

On the occasion of Sanskriti's 18th birthday, there were celebrations throughout the school day. The Cultural Fest, Spectrum, was organized for Middle and Senior School.

Middle School's Cultural Fest was a medley of entertaining song and dance performances in the auditorium. After break, Senior School had its Cultural Fest in the auditorium, where the acts ranged from theatre to beat-boxing to Kathak, culminating in a video on what Sanskriti meant to different people within school.

As always, students were given chocolates on account of it being Sanskriti's birthday. All in all, it was a fun-filled day, one that captured the spirit of Sanskriti.
