

‘EXPLORE 2017’

CAREER FAIR AT SANSKRITI SCHOOL

By ENVISION INDIA EDUSERVICES

‘EXPLORE 2017’-Career fair was organized by Envision India Eduservices on 3rd Nov 2017. The event was the culmination of the Career Guidance program which comprised of Orientation programs for students and parents, psychometric testing of students interest and aptitude and one to one counseling.

A range of national and international universities, government agencies, educational service providers, NGO’ s and the Indian Air Force participated in the fair. The program began with the inauguration of the fair by lighting the lamp. The Principal Mrs Richa Sharma Agnihotri spoke to the students about the importance of career guidance and Director Envision India Mrs Jyotsna Bharadwaj talked about the importance of making informed choices. Senior school counselor Mrs Meenu Arora coordinated the event. Students of grades IX to XII and their parents visited the stalls through the day. Counselors and students from other Delhi schools also participated in the fair.

The response of the students, parents and the participating universities was overwhelming. The career fair turned out be a great success and was appreciated by all.
