Dear Parents,

To begin with we would like to thank you for your immense and unrelenting support in our efforts to ensure that the discipline of the school remains inviolate and we work unhindered in our mission to uphold the values of Sanskriti. Recently, we have also received your cooperation when we took steps to enhance the security of the institution which the present day uncertainties and challenges warrant.

Hence, we have no doubt that we would receive your full-fledged support in our endeavor to curb the undesirable influences which the teenagers face today. We, as parents and educationists, are well aware of the nefarious activities related to drinks and drugs rampant among school children. Therefore we discourage any platform which gives opportunity to the students to indulge in such reprehensible actions. Keeping this in mind, we do not condone the 'Conti Party' which is being organized for classes XI and XII as a farewell to the batch of 2015-16. Attending the party might be detrimental to the safety and future of your ward. **Therefore the school wishes to issue a STRONG ADVISORY against the party.**

We hope you would appreciate the efforts on our part to safeguard the welfare of our students and need for open communication between teachers and parents. This letter is a step forward in that direction.

With kind regards,

Yours sincerely,

Abha Sahgal
