

Class 6 trip to Corbett

Students of grade 6 visited Jim Corbett, as part of their annual educational school trip from December 3 to December 5, 2015. The trip was filled with lot of adventurous activities which provided an enriching experience to the students. They came close to the flora and fauna, greenery and immense beauty of the place with activities like, 'Crossing the river,' 'Night Jungle trek,' 'Sunrise trek,' 'Village Walk' etc. The students of Sanskriti experienced nature at its best, away from the humdrum of the city life.

The trip turned out to be a wholesome package of learning, camaraderie and fun throughout.
