

# Happy Grandparents day

"Your love knows no bounds, my day becomes special when you are around"..for me you are-

Grand in every manner  
Real gems I treasure  
Angels from heaven  
Noble and pleasant  
Doting on me  
Precious nani and dadi  
Adorably cute  
Reliable substitute  
Endearing always  
Nurturing my days  
Teaching me to respect and care  
Sharing their love so precious and rare
