

Janmashtami Celebrations

Nursery celebrated Janmashtami on 24th August 2016. The children were shown a power point presentation on Lord Sri Krishna. They also clapped along and sang a few songs related to Janmashtami. With the help of miniature artefacts which were shown to them, the little ones understood the significance of milk, butter, peacock feather and jhaanki on this occasion. At the end of the day the children looked happy and radiant as they went home with a cute little “peacock feather” which they created during their craft class.
