

Nursery's Book Week

**"You can find magic everywhere you look,
sit back and relax, all you need is a book"**

Nursery celebrated a fun filled book week from 24th April-25th April 2017 in the Nursery courtyard. The week began with the enactment of the story 'Monkey and the Cap seller' and a puppet show on 'Rainbow Fish' by the teachers. The children thoroughly enjoyed the stories and the Puppet show. Book exchange exercise was encouraged in all classes, whereby the children exchanged story books with their classmates. Children were introduced to the world of colours through different take away craft activities and the Rainbow Fish story booklet in-class.
