

Workshop for Mathematics Teachers- October 9&10, 2015

Ramanujan Foundation for Initiatives in Mathematics Education (RFIME), the Azim Premji University (APU), Ramanujan Mathematical Society (RMS) and Sanskriti School in collaboration conducted two days mathematics workshop at Sanskriti School. 38 teachers attended this workshop from various schools of Delhi.

The workshop focused on building the pedagogical and content knowledge of teachers teaching at the secondary and senior secondary level. Sessions were held on applications of school mathematics, non – routine problem solving and discussion of mathematical topics, which can enhance and supplement classroom teaching.

Dr Jonaki Ghosh (RFIME), Dr Haneet Gandhi (RFIME), Professor Antar Bandopadhyay, (Indian Statistical Institute), Delhi and Sangeeta Gulati (Sanskriti School)

were the resource persons.
