ANNEXURE `A`

1. In the event of the tender being submitted by a firm, it must be signed separately by each partner thereof or in the event of the absence of any partner, it must be signed on his behalf by a person holding a power-of -attorney authorizing him to do so, such power –of –attorney to be produced with the tender, and it must disclose that the firm is duly registered under the Indian Partnership Act. 1952.
2. Receipts for payments made on account of work, when executed by a firm, must also be signed by all the partners, except where the contractors are described in their tender as a firm, in which case the receipts must be signed in the name of the firm by one of the partners, or by some other person having due authority to give effectual receipts for the firm.
3. Any person who submits a tender shall fill up the usual printed form (BOQ) stating at what rate he is willing to undertake each item of the work. Tenders, which propose any alteration in the work specified in the said form of invitation to tender, or in the time allowed for carrying out the work, or which contain any other conditions of any sort including conditional rebates, will be summarily rejected.
4. The rate (s) must be quoted in decimal coinage. Amounts must be quoted in full rupees by ignoring fifty paisa and less and considering more than fifty paisa as rupee one.
5. The school will open tenders in the presence of any intending contractors who may be present at the time, and will enter the amounts of the several tenders in a comparative statement in a suitable form. In the event of a tender being accepted, the contractor shall for the purpose of identification sign copies of the specifications and other relevant documents. In the event of a tender being rejected, the earnest money forwarded with such unaccepted tender shall thereupon be returned to the contractor remitting the same, without any interest.
6. Use of correcting fluid, anywhere in the tender documents is not allowed. Such tender is liable for rejection.
7. In the case of any tender where unit rate of any item/items appear unrealistic such tender will be considered as unbalanced and in case the tenderer is unable to provide satisfactory explanation, such a tender is liable to be disqualified and rejected.
8. All rates shall be quoted on the tender form (Bill of Quantities). The amount for each item should be worked out and requisite totals given. Special care should be taken to write the rates in figures as well as in words and the amount in figures only, in such a way that interpolation is not possible. The total amount should be written in figures as well as in words. In case of figures, the words 'Rs' should be written before the figure of rupees and word 'p' after the decimal figures e.g. 'Rs.2.15P' and in case of words, the word, 'Rupees' should precede and the word 'Paisa' should be written at the end.

Unless the rate is in whole rupees and followed by the word 'only' it should be invariably up to two decimal places. While quoting the rate in Bill of Quantities, the work 'only' should be written closely following the amount and it should not be written in the next line.

9. Sales tax/VAT Tax, purchase tax, turnover tax or any other tax on materials, Delhi sales tax on works contract and cess under Delhi Building and other construction workers (regulation of Employment and condition of service) act. etc. in respect of this contract shall be payable by the contractor and Sanskriti School will not entertain any claim whatsoever in respect of the same.
10. During the period the School is in session no work will be carried out. The work will be executed beyond school hours and on holidays.

Any deviation from the above will require prior written approval from the Competent Authority of the School.

11. After completion of work the contractor shall obtain the fire safety certificate from Delhi Fire Service and submit the same to the School authorities before release of final payment.
