**XXXI SHRI R.S. NIAMAT RAI MEMORIAL CONTEST OF INVESTIGATORY PROJECTS IN MATHEMATICS 2022**

**December 7, 2022**

**Heartiest Congratulations** to our team of Samridhhi Srivastava (XII), Chirag Sehgal (XII), Daksh Verma(XII) and Shaurya Midha (XI) for winning **Special Mention Award** in the prestigious Niamat Rai Investigatory Projects Competition. The team competed against 10 shortlisted schools of Delhi& NCR.

This prestigious competition held by Springdales School, Pusa Road invites innovative thinkers to use mathematics to resolve problems faced by society.

For this year's project, Sanskriti's project **THE PRIME POPULATION** aimed at finding a solution for optimum population density.

The team was mentored by Mr Sanjay Sinha and supported by Aditya Nautiyal (XII) and Raghav Singla (XII) in doing the research and analysis
