

Subject Options for Class XI
Academic Session 2023-2024

21.10.2022

Dear Parents,

As you must have been aware, the school conducted an Aptitude test for students of class X. This was followed by a one to one Counseling session in October 2022. We hope that you and your ward had an opportunity for an engaging and satisfying personal interaction with the Career Counselors. The students have also gone through a detailed subject orientation on Friday, 21st October to assist them further in their subject choices in grade XI. Following are the subject options offered to your ward for the session 2023-24. A google form will be shared with you by the class teachers. Kindly fill your subject preferences by 22nd November.

Students are required to opt for one subject only from each column for Science/ Commerce/ Humanities streams. In case you wish to seek clarifications, please fix an appointment with the Vice Principal, Ms. Poorni Rajesh on or before 22nd November.

SCIENCE STREAM

English Core	Physics	Chemistry	Mathematics	Economics
			Biology	Maths
				Psychology
				Python
				P.E
				Bio technology
