

1ST PRIZE IN INNOVISION COMPETITION

The Sanskriti School team, consisting of Ria Kachhal (12G) and Kashish Satish (12I), won the first position in the InnoVision competition. It was a part of a web-based online Commerce Fest organised by G D Goenka Public School on Saturday, 30th May 2020.

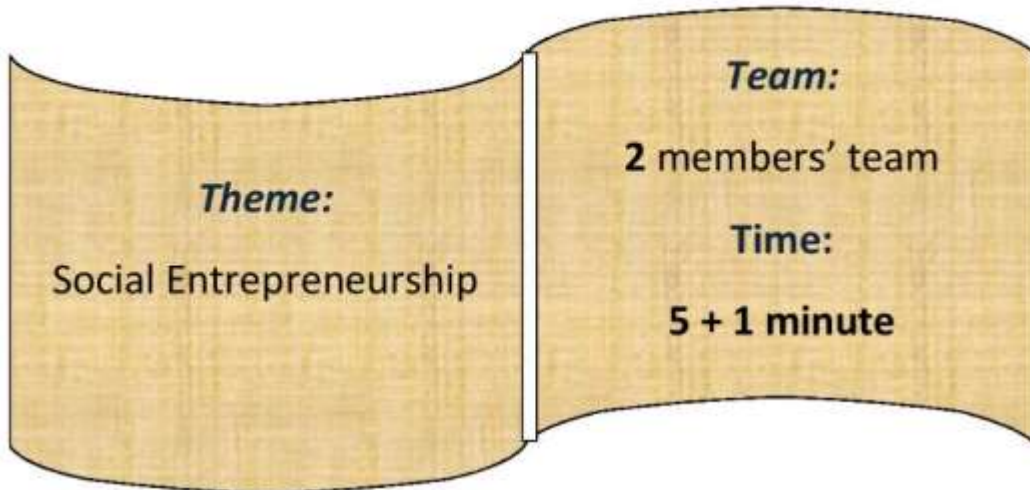

InnoVision encouraged students to come up with innovative ideas for social entrepreneurship and present business plans for the same. About 50 schools participated in the competition.
