To
The Principal

Dear Sir / Madam,

Sub: **All India School Contest - 2022**

Indian Centre for Plastics in the Environment (ICPE) is a voluntary “Not for Profit” organization set up on the recommendation of a Task Force constituted by the Ministry of Environment & Forests, Govt. of India in January 1999. The center is registered under the societies act and is supported by the industry.

Plastic products are indispensable part of our daily lives. However, unmindful use of plastics and poor waste management systems have aggravated plastic pollution globally. ICPE had been working in this area to develop technical solutions and create awareness amongst all stakeholders about plastics and management of waste. As future citizens, students are an important part of this endeavor.

ICPE has been conducting awareness sessions on responsible use of plastics and management of waste. In this, “All India School Contest” is a part of this initiative. We had received overwhelming responses to such contests in past. Brief of the contest held in past are available in ICPE website www.icpeawareness.in / www.icpe.in .

We are now happy to launch the “All India School Contest in 2022”. Based on the popularity of the event, it has been decided to introduce a new category, ‘Primary Category’ in the contest, besides the usual Junior and Senior Categories as in the earlier contests.

We invite active participation of students to this edition of “All India School Contest – 2022”. Entries can be sent digitally as well as in hard copies.

The theme of this year’s contest are:

(A). Primary Category Students (Class I to Class IV)

Theme: Fight Pollution Not Plastics

(B). Junior Category Students (Class V to Class VIII)

Theme: Plastics – A Wonder Material

(C). Senior Category Students (Class IX to Class XII)

Theme: How Plastics can help Sustainable Development

- **Only Poster / Artwork would be received from students from the Primary Category**
- Junior and Senior Category Students are invited to send in their entries on the respective themes **in any one** of the following formats:

- | | |
|-----------------------------|--|
| 1. Audio Visual Clip | Duration 3 minutes, max size 10 MB |
| 2. Power Point Presentation | Maximum 5 Slides within 10 MB
(Excluding title slide and last slide) |
| 3. Poster / Artwork | A3 size within max 10 MB size
(For Hard Copy – A 3 Size Poster Paper) |
| 4. Animation | One frame within max 10 MB size |

Entries can be submitted on-line or by post to ICPE Office address, as given in the accompanying Rules / Poster.

One student can submit only one entry within the overall specification as given in the Rules & Regulations.

Before preparing their entries, students are encouraged to visit ICPE website www.icpe.in. Entries would be judged based on own creativity (copy & paste from other documents must be avoided). **Reference of credible source of data / information given in the answer sheet would add value.**

The contest is open from 1st May 2022 to 31st July 2022. Results are expected to be declared by the end of September 2022.

There is no entry fee.

We seek your support for a wide participation of students from your school. You may also encourage teachers to guide and motivate students under their charge.
