

A Farm Visit with Nursery children
“In every walk with nature, one receives far more than it seeks”

Our Nursery tiny tots were taken to the farm on 28th Nov, 2019. Children boarded the buses and happily reached the farm. Each group of children with their respective teachers were accompanied with the farm staff and were taken around for the various activities - gardening, tree house, animal petting, introduction to different plants and pony ride. Children thoroughly enjoyed feeding the farm animals.

Post all these activities, they had their tiffin and free play time.

It was indeed a great experience for children to interact with nature.
