

The Viewpoint-The Political Science Blog

The Political Science Blog 'The Viewpoint' was created by five students of class 11 of Sanskriti School- Sahana Rudra, Tarini Sharma, Divyansh Shah, Pranjal Misra and Anant Narayan. Their passion and interest in the study of political science was the reason behind the creation of the blog. The blog is the first of its kind at a school level and encourages students to be aware of contemporary international issues.

One can access the blog [here](#).

Sanskriti School is very proud of this development and wishes them the very best in their endeavor!
