

Congratulations Addea Gupta! We are proud of you!!

January 24, 2021: Addea Gupta, class 12E, was announced as **one of the 20 Grand Award winners at the IRIS National Science Fair** for her research project in pure mathematics and will be a part of the team representing India at the International Science and Engineering Fair (ISEF), 2021 which is the largest, most prestigious pre-college research competition in the world with over 80 participating countries.

She was also the recipient of the 'MU Alpha Theta' special award for her project.

Her project was first selected as one of the 100 finalists from over 3000 applications and post three days of interviewing and judging by four scientists, she was selected as one of the top 20 at the IRIS National Science Fair.
