

**Exclusive Invitation : The Times of India | EDUCATION TAKEOFF |  
2nd November | The Imperial | Janpath**

**Simplifying the Education Abroad Process  
2<sup>nd</sup> November 2019, The Imperial (Janpath), New Delhi**

We are pleased to invite you for The Times of India "**Education Take Off**"

The option to apply and study at a university anywhere in the world is an exciting one. The problem for most students is knowing where to start when choosing a college/university outside their home country. Every country has thousands of colleges/universities, so it's essential to understand the different systems and what these overseas universities require from applicants.

With this backdrop, The Times of India organises "Education Take Off" , every year, a platform which provides an opportunity for students to seek counselling and guidance on the various undergraduate/graduate courses abroad. Through this initiative we aim to empower students with the right information & courses and connect them to the relevant stakeholders. The 3rd edition of the campaign will focus on the 4 countries as the preferred destination – Canada, UK, Australia and New Zealand.

**Discussion Points:**

**What's best for you - Academics, Country, Culture & Financing**

- Is the university recognized? How many international students select the university?
- Where does the university stand on reputation, educational system and how reputable the staff and professors are?
- Does the university offer degree and how established/well-regarded their program is?
- Is the college and university equipped with right research team, working/learning environment, lab/mechanical resources, incentive of publication and internships?
- How to estimate and gear up for finances: Tuition fees, scholarships, cost of living, cost of food, housing, and transportation?
- Where does the college score on overall employability and employment opportunities during studies?
- Clearing the Immigration doubts and queries
- PSW: Long and short term benefits of PSW

Registration :3PM-4PM

Session :4PM-5PM
