GRADE VII & VIII POCSO WORKSHOP

Child sexual abuse is a major concern that is increasing day by day in India. It is thus important to create the needed awareness in children about the possible threats of sexual exploitation that may manifest both offline and online. Sensing that our children are spending a lot of time on the internet making them highly vulnerable, speakers from the **CHILDLINE India Foundation** will be addressing the students of grades VII & VIII about their safety, to help them identify early warning signs, about the POCSO Act (Protection of Children from Sexual Offences Act, 2012) and how sexual abuse can be prevented.

Please find the details of the session below :-
