

GRANDPARENTS DAY

Grandparents make the worlda little softer,
a little kinder, a little warmer.

To felicitate and honour the Grandparents who leave a lasting impression in a child's life, Nursery celebrated Grand Parents day with great enthusiasm on 1st & 2nd November 2018.

The little ones warmly welcomed the Grandparents to the Nursery courtyard. Through melodious songs 'the little ones' expressed their love and gratitude for their grandparents. The grandparents then sportingly joined their grandchildren on the floor and danced to the tune of 'Making Melody in my heart....'

The Grandparents then visited the classrooms followed by a muffin decorating activity in the courtyard, where they along with the little ones decorated the muffins with chocolate sauce and various toppings .The yummy muffins were packed in boxes decorated by the children as a takeaway. It was a fun filled day full of cheer and happiness.
