

GRANDPARENTS DAY

*Grandparents are a treasure ,
There's no one quite as special,
And no one quite as nice.*

To felicitate and honour the Grandparents who leave a lasting impression in a child's life. Nursery celebrated Grand Parents day with great enthusiasm on 7th& 8th November 2019.

Our Principal Richa ma'am and Jr. School Incharge Suruchi ma'am welcomed the Grandparents to the Nursery courtyard . The programme started with the songs and enactment on rhymes presented by grandparents , which was overwhelming for the children as they saw them sing and dance with grace and smile. The grandparents then sportingly joined their grandchildren on the floor and danced to the tune of Making Melody.....

The programme ended with a funfilled activity of decorating cupcakes with their grandchildren , which was a take away for them. Thereafter, grandparents were allowed to take their little ones home.

It was a day filled with fun and laughter.
